

Before The Next Teardrop Falls

Brenda Lee

If she brings you happiness,
Then I wish you all the best
It's your happiness,
That matters most of all
But, if she ever breaks your heart,
If the teardrops ever start.
I'll be there, before the next teardrop falls

Si te quire de verdad
Y te da felicidad
Te deseo lo mas bueno par(a) los dos
Pero si te haces llorar, a mi me puedes hablar
Estare contigo cuando triste estar.

Though it hurts to let you go
Darling I want you to know that
I'll stand by your side if ever you should call

And if I should ever hear
That she made you shed a tear
I'll be there before the next teardrop falls

I'll be there
Anytime you need me by your side
To drive away, any teardrops that you cry
If she ever leave was you blue,
Just remember I love you

And I'll be there before the next teardrop falls
And I'll be there before the next teardrop falls
