Brenda Lee

Here's the number to call if you want my lovin'
Number to call if you want your turtle love
Number I'll be waitin' all night long,
Just a waitin' for you to phone...BIGELOW 6-200

What's the matter, what's the matter why don't you call
Don't ya love me baby a more at all?
Just a waitin' her baby not doin' a thing
Just a waitin' for the dog gone phone to ring...BIGELOW 6-200

Well, baby dial my number, you said you would phone
I'm so broken hearted, please don't wait too long
Well, I'm sorry baby that we had a fight,
And you left me the other night
Well if the phone don't ring in a minute or two
I think pretty baby that Ill call you...BIGELOW 6-200
