## **Dear Heart**

Brenda Lee

Dear heart, wish you where here To warm this night My dear heart, seems like a year Since you've been out of my sight

A single room, a table for one It's a lonesome town all right But soon I'll kiss you hello At our front door And dear heart, I want you to know I'll leave your arms nevermore

(A single room, a table for one)
(It's a lonesome town all right)
But soon I'll kiss you hello
At our front door
And dear heart, I want you to know
I'll leave your arms nevermore
