

# Everybody Loves Me But You

Brenda Lee

Why did I listen to my friends  
When they told me what to do  
Yes, I still have my friends  
But I don't have you  
And like true friends, they still come around  
And say, "I'm sorry you're blue"  
Oh, everybody loves me but you

My friends don't know what they've done  
Well, they wouldn't understand anyhow  
I can't tell them they were wrong  
'Cause I'm afraid they'll leave me, too  
Now it's funny but more than ever  
I need them now

I still ask my friends what to do  
But it seems they don't know  
How to bring  
How to bring you back  
They say, "what made him go?"  
Yes, like true friends, they still come around  
And say, "I'm sorry you're blue"  
Oh, everybody loves me but you
