

# Everybody's Had The Blues

**Brenda Lee**

Everybody's sings the blues sometimes and everybody knows the tune  
And everybody knows the way I'm feelin' cause everybody's had the blues

A lonely song someone is gone a story old as time  
Love hate all want and wait till misery fills your mind  
Everybody knows the way I'm feeling cause everybody's had the blues

A lonely song someone is gone a story old as time  
Love hate all want and wait till misery fills your mind  
Everybody knows the way I'm feeling cause everybody's had the blues
