

For Once In My Life

Brenda Lee

For once in my life I have someone who needs me
Someone I needed so long
For once unafraid I can go where life leads me
For once I can touch what my heart used to dream of
Long before I knew someone warm like you
Would make my dream come true, oh yeah
For once in my life I want to miss all that hurt me
Now that love's hurt me before
For once I have someone
I know won't desert me
I'm not alone anymore
For once I can say this is mine you can't take it
Long as I know I have love I can make it
For once on my life I have someone who needs me
Ye ye yeah someone who needs me, yeah
For once in my life I have someone who needs me
Someone I needed so long
For once unafraid I can go where life leads me
For once I can touch what my heart used to dream of
Long before I knew someone warm like you
Would make my dream come true, oh yeah
Yeah telling you right now
For once in my life I have someone who needs me
Somebody listen to my plea
Once in my life I have someone who needs me
I wanna tell you once in my life
I have someone
