

From Levi's To Calvin Klein Jeans

Brenda Lee

From a cowboy to a playboy, what a change
From a horse, to a Porsche, when your riding the range
From the trees and the stars, to the discos and bars
Tell me is it as far as it seems
From Levi's to Calvin Klein jeans

The life that your living don't fit cowboy boots,
But you fit fight in with your new Gucci shoes
Your wearing gold plated glasses and solid gold chains
I doubt if the country will see you again

From a cowboy to a playboy, what a change
From a horse, to a Porsche, when your riding the range
From the trees and the stars, to the discos and bars
Tell me is it as far as it seems
From Levi's to Calvin Klein jeans

The tan on your face has turned cally white
Riding those bar stools don't let in sun light
I can tell by the look that I see in your eyes
You yearn for the country and wide open skies

From a cowboy to a playboy, what a change
From a horse, to a Porsche, when your riding the range
From the trees and the stars, to the discos and bars
Tell me is it as far as it seems
From Levi's to Calvin Klein jeans
