

## Heart In Hand

Brenda Lee

Here I stand heart in hand  
Looking like a fool  
Left behind by you

There was I so starry eyed  
I couldn't see that you didn't  
You didn't love me

Yes, I was the last one  
I was the very last one to know  
I was believin', you were deceivin'  
And now as my tears flow

Here I stand heart in hand  
Looking like a fool  
Left behind by you

Here I stand  
I've got my heart in my hand

Looking like a fool  
Left behind by you
