

# Hello, Dolly!

Brenda Lee

Hello Dolly, I said hello Dolly  
It's so nice to have you back where, you belong  
Ah you're looking swell Dolly, we can tell Dolly  
You're still glowing, you're still growing, you're going strong  
We feel the room swaying while the band's playing  
One of your old favorite songs from way back when  
So take her wrap, fellas, find her an empty lap, fellas  
Dolly'll never go away again

Hello Dolly, I said hello Dolly  
It's so nice to have you back where, you belong  
Ah you're looking swell honey, and we can tell  
You're glowing, you're growing, you're going strong  
We feel the room swaying while the band's playing  
One of your old favorite songs from way back when  
So Golly gee fellas, find her a vacant knee, fellas  
Dolly'll never go away again

We feel the room swaying and we hear that band a-playin'  
One of your old favorite songs from way back when  
So Golly gee fellas find that girl a knee fellas  
Dolly never go away, Lord don't go away  
Dolly never go away again  
Yeah Dolly never go away, Dolly please don't go away  
Dolly never go away again
