

I Know A Lot About Love

Brenda Lee

I know everything there is to know about love,
Except how to make it work
I've been deep in love a dozen times,
And every time I've been hurt

Cause I loved too much I loved too little
Been left out, caught in the middle
Don't know much about togetherness,
Don't know much about happiness
But, I know a lot about love

In spite of all that I've been through,
I still believe in love, until you gave up on me
Like every other dream I'd ever dreamed,
It just wasn't meant to be

Cause I loved too much or I loved too little
Been left out, caught in the middle
Don't know much about togetherness,
Don't know much about happiness
But, I know a lot about love
Oh, I know a lot about love
