

## I'm A Memory

Brenda Lee

(hum) I'm a game that you use to play  
I'm a plan that you didn't lay so well  
I'm a fire that burns in your mind  
Close your eyes, I'm a memory

I'm a love that you bought for a song  
I'm a voice on a green telephone  
I'm a day that lasted so long  
Close your eyes, I'm a memory

(hum) I'm a dream that comes with the night  
I'm a face that fades with the light  
I'm a tear that falls out of sight  
Close your eyes, I'm a memory  
(hum)

Close your eyes, I'm a memory
