

## If You Love Me (Really Love Me)

**Brenda Lee**

If the sun should tumble from the skies if the sea should suddenly run dry  
If you love me really love me let it happen I won't care  
If it seems that everything is lost I will smile and never count the cost  
If you love me really love me let it happen darling I won't care  
Shall I catch a shooting star shall I bring it where you are if you want me to I will  
You can let me any test I'll do anything you ask if you only say you love me still  
When at last the life on earth is through I will share each other tear will you  
If you love me really love me let it happen I won't care  
If you love me really love me let it happen I won't care
