

If You Love Me

Brenda Lee

If the sun should tumble from the sky
If the sea should suddenly run dry
If you love me, will he love me?
Let it happen, I won't care

If it seems that everything is lost
I will smile and never count the cost
If you love me, will he love me?
Let it happen, darling I won't care

Shall I catch a shooting star?
Shall I bring it where you are?
If you want me to I will
You can set me any task, I'll do anything you ask
If you'll only say you love me still

When at last, our life on earth is through
I will share eternity with you
If you love me, will he love me?
Let it happen, I won't care
If you love me, will he love me?
Let it happen, darling I won't care
