

Lover Come Back To Me

Brenda Lee

Little lover won't you come back to me
 The sky was blue in high above the moon was new and so was love
 This eager heart of mine was singing lover where can you be
 You came at last love had its day that day is past you've gone
 away
 This aching heart of mine is singing lover come back to me
 I remember every little thing you used to do I'm so lonely
 Every road I walk along I walk along with you no wonder I am lo
 nely
 The sky is blue the night is cold the moon is new but love is o
 ld
 And while I wait this heart of mine is singing lover come on ho
 me to me

But while I'm waiting here this heart of mine is singing lover
 bring yourself on home

But while I'm waiting here this heart of mine is singing lover
 come on home to me yeah
 I remember every little thing
