

Lover

Brenda Lee

Lover, when I'm near you
And I hear you speak my name
Softly in my ear you breathe a little old flame
Yes, yes, yes
Lover, when we're dancing
You better keep on glancing in my eyes
Till love's own entrancing music dies

All of my future is in you
You're everything I desire
Promise you'll always continue to be mine
Oh lover, please be tender
When you're tender, fears depart
Lover, I surrender to my heart

All of my future is in you
You're everything I desire
Promise you'll always continue to be mine
Lover, please be tender
When you're tender, my fears depart
Lover, I surrender to my heart
Lover, I surrender to my heart
