

# One Step At A Time

Brenda Lee

A just take it one step at a time  
Just one step at a time

Word by word and take it page by page  
Just one step at a time  
It may take a little bit longer  
But the way do we even get stronger  
One step at a time boy, Just one step at a time

You gotta plant your feet on solid ground  
You can't climb a tree and then chop it down  
You gotta start from scratch work your way on up  
Every hound dog once was a pup  
Just one step at a time boy  
Just one step at a time

Word by word and take it page by page  
Just one step at a time  
It may take a little bit longer  
But the way do we even get stronger  
One step at a time boy, Just one step at a time

Day by day and take it year by year

Just one step at a time  
The one true way to get all you need is  
To start out slow and then pick up speed  
One step at a time boy, Just one step at a time  
Just one way a boy can be a man  
A start out young and go as fast you can  
And if you wanna grow up to be a ripe old age  
Stick to the book and live it page by page  
One step at a time boy

Just one step at a time  
Day by day and take it year by year

Just one step at a time  
It may take a little bit longer  
But the way to be even be stronger  
One step at a time boy, Just one step at a time
