

Papa Noel

Brenda Lee

Hey Beau, let's go and get pirogue and push-
pole down the bayou,
I want to see the Christmas Tree, dance o- fais dodo.
Have a big time and cut a shine, where all will be gay-o
Oh, Santa Claus will come tonight, down on the bayou
Papa Noel will bring the bells and all will be gay-o
I'm gonna be at the Christmas tree with my ma chère ami-o
So ring the chimes, it's Christmas time and pick the old banjo
Oh, Santa Claus will come tonight, down on the bayou

See ma Nannan and ma Parrain, I know they'll all be there-o,
See Ol' Quelqu'un and Mamoun, Bébé and Jo-Jo,
See Jolivet oh my sweet pet and get me some sugar,
Oh, Santa Claus will come tonight, down on the bayou

So roll the rug, let's kiss and hug and let's all be gay-o,
A merry Christmas to you all and a happy bonne année-o
I'm gonna dance all through the night, 'til daylight with my ba
be-o,
Oh, Santa Claus will come tonight, down on the bayou

Dionne wants a push-y-on, a pistolette and yo-yo,
My Jolivet, oh my sweet pet, Lord cher ami-o,
Oh Auntie Luce will cook the goose, and she will serve the gumb
o,
Oh, Santa Claus will come tonight, down on the bayou

Papa Noel will bring the bells and all will be gay-o
I'm gonna be at the Christmas tree with my ma cher ami-o
So ring the chimes, it's Christmas time and pick the old banjo
Oh, Santa Claus will come tonight, down on the bayou
