

# Weep No More My Baby

Brenda Lee

Weep no more my baby I'm a comin' back to you  
Weep no more my baby your lonely days are through  
Oh oh oh wipe away those teardrops cause I've been lonely too  
Well weep no more my baby I'm a comin' home to you  
Dry those big brown eyes my baby I've been gone too long  
This time I don't mean maybe I know I know I done you wrong  
Yeah yeah weep no more my baby your lonely days're through  
Weep no more my baby I'm a comin' comin' home to you  
Come out and smile for me my baby your tears are making me so sad  
I can't stay away no longer you're the only love I've ever had  
Oh weep no more my baby I'm a comin' home to you  
Weep no more my baby your lonely days are through  
And I'm a comin' comin' home to you yeah I'm a comin' comin' home to you  
I said I was a comin' comin' home to you
