

# What A Difference A Day Made

Brenda Lee

What a difference a day made,  
twenty four little hours  
Brought the sun and the flowers  
where there use to be rain

Umm, my yesterdays were blue dear  
Today I'm a part of you dear  
Yes, my lonely nights are through dear  
Since you say you are mine, all the time

What a difference a day made  
Now there's a rainbow before me  
Skies above can't be stormy  
since that moment of bliss  
Umm, that thrilling kiss

It's heaven when you,  
when you find romance on your menu  
Aah what a difference a day made  
Umm and the difference is you

What a difference a day made,  
umm and the difference is you
