

## What Now My Love

Brenda Lee

What now my love  
Now that you left me  
How can I live through another day  
Watching my dreams turning to ashes  
And my hopes into bits of clay  
Once I could see, once I could feel  
Now I am numb  
I've become unreal  
I walk the night without a goal  
Stripped of my heart, my soul

What now my love  
Now that it's over  
I feel the world closing in on me  
Here comes the stars  
There tumbling around me  
There's the sky where the sea should be  
What now my love  
Now that you're gone  
I'd be a fool to go on and on  
No one would care, no one would cry  
If I should live or die  
What now my love  
Now there is nothing  
Only my last goodbye
