

# Whispering

Brenda Lee

Whispering while you cuddle near me  
Whispering go no one hear me  
Each little whisper seems to cheer me  
I know it's true there's no one here but you  
Oooh whispering like you'll never leave me  
Whispering like you'll never grieve me  
Whisper and say that you believe me  
Whispering that I love you

Whispering while you cuddle near me  
Whispering go no one hear me  
Each little whisper seems to cheer me  
I know it's true there's no one here but you  
Oooh whispering like you'll never leave me  
Whispering like you'll never grieve me  
Whisper and say that you believe me  
Whispering that I love you

Whispering that I love you oooh
