

Winter Wonderland

Brenda Lee

Sleigh bells ring, are you listening
In the lane snow is glistening
beautiful sight we are happy tonight
Walking in the winter wonderland

Gone a way
It's the blue bird, he'll stay
It's the new bird, he sings a love song
As we go along
Walking in a winter wonderland

In the meadow, we can build a snowman
We'll pretend that he passing round
He'll say are you married
We'll say "No man"
But you can do the job while you are in town
Later on, we'll conspire
As we dream by the fire
We'll play on a frame the plans that we made
Walking in the winter wonderland
Walking in the winter wonderland
Walking in the winter wonderland

In the meadow, we can build a snowman
We'll pretend that he passing round
He'll say are you married
We'll say "No man"
But you can do the job while you are in town
Later on, we'll conspire
As we dream by the fire
We'll play on a frame the plans that we made
Walking in the winter wonderland
Walking in the winter wonderland
