So Good, So Right

Brenda Russell

We're on the shores of nowhere looking out to sea I turn and kiss your face And you laugh at me, you laugh at me How do I feel when I feel like rain Feel like saying It feels so good so right to be with tonight

So good, so right to be with you tonight So good, so right to be with you tonight

There is no space between the ocean, you and me Exchanging life force as we live and breath Together we'll be How do I feel when I feel like saying It feels so good so right to be with tonight

So good, so right to be with you tonight So good, so right to be with you

You make me feel so young The way we laugh and play Like a child in the sun love is the way How do I feel when i feel like rain Feel like saying It feels so good so right to be with you

So good, so right to be with you tonight So good, so right to be with you tonight So good, so right to be with you tonight So good, so right to be with you tonight So good, so right, hey babe So good, so right, you know I've been so good So good, so right to be with you tonight So good, so right to be with you tonight So good, so right to be with you tonight
