

Waiting for you

Brenda Russell

Well, my mama told me not to go too far
Oh, help me, I wanna go there sometimes
And you're so out of reach, it's so hard
Oh, help me

Baby, I'm way out of line, oh yeah
But if still you need me sometime
Oh, I'm waiting for you
Waiting for you, I'm waiting for you
Baby, I, I'm waiting for you
Waiting for you, I'm waiting for you

Well, my friends they say that you're no good for me
Oh, help me, I wanna believe them sometimes
But it's simply just of your necessity
Oh, help me, baby, I'm falling too hard, oh yeah

It was too late from the start
So I'm waiting for you, waiting for you
I'm waiting for you
Baby I, I'm waiting for you
Waiting for you, I'm waiting for you

Baby, I'm losing my mind
Is it a matter of time
But if you should need me, me sometime
Oh yeah, baby, I'm not far behind

I'm waiting for you, waiting for you
I'm waiting for you
Baby, I, I'm waiting for you
Waiting for you, I'm waiting for you
Baby I

I'm gonna be waiting for you
I'm gonna be waiting for you
Baby I
Baby I, I'm waiting for you

Gonna be waiting for you
Gonna be waiting for you
I'm waiting for you

Waiting, waiting
