

## Here For You

Brendan James

Hey, what's on your mind?  
What's got you down this time?  
Please, don't hide your tears  
I've seen you sad before, my dear

I'm here for you (3x)  
Here for you (3x)

Pulling you through  
Because I want to  
I'm here for you

Said let's talk it out  
Tell me what happened  
I'm with you now  
Come on, can't you look at me?  
I'll help you through this  
It's not easy

I'm here for you (3x)  
Here for you (4x)

Pulling you through  
Because I want to
