Stupid for Your Love

I'm smarter than your average Jonathan or Joe  
I could fill a hundred suitcases with everything I know  
But I am stupid for your love

Aurora borealis makes perfect sense to me,  
Its light particles and magnets  
I'm smart enough to see  
But I am stupid for your love

I still remember 30 numbers after 3.14159  
Don't ask me why

And with a Rubix cube I'll make a fool of  
Anyone who tries to beat my time  
But I am stupid for your love  
I am stupid for your love

I love to read the classics  
They're not too long for me,  
I read 'em in one sitting  
Like I did with War and Peace  
But I am stupid for your love

And I got a lot of street smarts  
From years of looking out,  
I've seen the biggest cities  
And I know what they're about

But I am stupid for your love

I still remember 30 numbers after 3.14159  
Don't ask me why

And with a Rubix cube I'll make a fool of  
Anyone who tries to beat my time

But I am stupid for your love  
I am stupid for your love (4x)
