Stupid for Your Love

I'm smarter than your average Jonathan or Joe I could fill a hundred suitcases with everything I know But I am stupid for your love

Aurora borealis makes perfect sense to me, Its light particles and magnets I'm smart enough to see But I am stupid for your love

I still remember 30 numbers after 3.14À Don't ask me why

And with a Rubix cube I'll make a fool of Anyone who tries to beat my time But I am stupid for your love I am stupid for your love

I love to read the classics They're not too long for me, I read 'em in one sitting Like I did with War and Peace But I am stupid for your love

And I got a lot of street smarts From years of looking out, I've seen the biggest cities And I know what they're about

But I am stupid for your love

I still remember 30 numbers after 3.14À Don't ask me why

And with a Rubix cube I'll make a fool of Anyone who tries to beat my time

But I am stupid for your love I am stupid for your love (4x)
