

For Years (Intro)

Brennan Heart

It's about time to bring you a musical impression
Of what I'm about in the fabulous collection
'Cause we come and we go like 1 2 3
I've got one blade to conquer and face the enemy
Droppin' ancient beats, audiometric treats
Take your mind on a trip to wherever it leads
This ain't a hiphop jam
I can't wait to slam
The name is Brennan Heart and hardstyle is what I am
