

# Imaginary

Brennan Heart

Sleep to dream tonight.  
Fill the empty spaces that shadows left behind  
You and i, will create a new world deep within our minds.

Ooh reality sometimes may seem, imaginary  
Happiness is here within our reach, know/no it cant be  
Seen the world created in our dreams, imaginary

i still feel love same beliefs, imaginary.  
Imaginary, ohohoh, imaginary  
Imaginary yeah, imaginary.

Now sea's of lights  
surround and break down all the fears that shadows left behind.  
Escape tonight.  
To a clear blue sky just close your eyes and wave goodbye.

Ooh reality sometimes may seem, imaginary  
Happiness is here within our reach, know/no it cant be  
Seen the world created in our dreams, imaginary

i still feel love same beliefs, imaginary.  
Imaginary, ohohoh, imaginary  
Imaginary yeah, imaginary.
