

Just As Easy

Brennan Heart

Here is one of the moments that you love to hate me
And you hate that you love me so
Because everything simple gets complicated
When we don't talk no more

And I understand that you feel this way
And I'm sorry for my actions yesterday
But I can't turn back the fucking time
And I can't get it out of my mind

I wish life was like A, B
Just as easy as 1, 2, 3!
A, B, just as easy as 1, 2, 3!

I wish life was like A, B
Just as easy as 1, 2, 3!
A, B, just as easy as 1, 2, 3!

Here is one of the moments that you love to hate me
And you hate that you love me so
Because everything simple gets complicated
When we don't talk no more

And I understand that you feel this way
And I'm sorry for my actions yesterday
But I can't turn back the fucking time
And I can't get it out of my mind

I wish life was like A, B
Just as easy as 1, 2, 3!
A, B, just as easy as 1, 2, 3! (2x)
