

This is a story about the music industry

The music industry

This is a story about the music industry  
A worldwide organization suspected to be involved in  
drugs, fraud, corruption and other criminal activities  
Shaking down and squeezing money out of innocent  
individuals like yourselves  
But it's also a habitat for new trends and fashion,  
glitter and glamour  
And of course: the hottest sounds, tailor made for you
