

## Running Late

Brennan Heart

Shake the house like a motherfucking earthquake

Gonna be late  
So they just have to wait  
And have a little faith  
That I am gonna be there right in the heat of the moment  
I hate, the fact I'm running late  
This time I overrate  
But then I come, shake your house like a motherfucking  
earthquake

But then I come, shake your house like a motherfucking  
earthquake

Gonna be late  
So they just have to wait  
And have a little faith  
That I am gonna be there right in the heat of the moment  
I hate, the fact I'm running late  
This time I overrate  
But then I come, shake your house like a motherfucking  
earthquake

But then I come, shake your house like a motherfucking  
earthquake
