

We Come And We Go

Brennan Heart

Here's what we do, all of us
We come and we go
And the time in between is precious
And it's vital that we enjoy every second granted
Yes, we come and we go
And sometimes life feels like a fucking rat race
But you can't let it get you down
Why?
Let your moments be consumed by frustration or hate
Make every moment special
As if it was your last
'Cause we come and we go, all of us

And sometimes life feels like a fucking rat race
But you can't let it get you down.
