

## **We Come And We Go**

**Brennan Heart**

Here's what we do, all of us  
We come and we go  
And the time in between is precious  
And it's vital that we enjoy every second granted  
Yes, we come and we go  
And sometimes life feels like a fucking rat race  
But you can't let it get you down  
Why?  
Let your moments be consumed by frustration or hate  
Make every moment special  
As if it was your last  
'Cause we come and we go, all of us

And sometimes life feels like a fucking rat race  
But you can't let it get you down.
