

# Oogum Boogum

Brenton Wood

Oogum oogum boogum boogum  
Boogum now baby you're castin' your spell on me  
I say, "Oogum oogum boogum boogum  
Boogum now baby you're castin' you're spell on me."  
You got me doin' funny things like a clown  
Just look at me

When you wear your high heeled boots with your hip hugger suit  
Its all right, you're outta sight  
And you wear that cute mini skirt with your brother's sloppy shirt  
I admit it, girl that I can dig it  
Well then I says...

Oogum oogum boogum boogum  
Boogum now baby you're castin' your spell on me  
I say, "Oogum oogum boogum boogum  
Boogum now baby you're castin' your spell on me."  
You got me doin' funny things like a clown  
Just look at me

When you wear your bell bottom pants  
I just stand there in a trance  
I can't move, you're in the groove  
Would you believe little girl that I am crazy 'bout you  
Now go on with your bad self

Ooooo my my my babys got that spell on me  
Ooooo now mercy, mercy on me

When you wear those big earrings, long hair, and things  
You got style, girl, that sure is wild  
And you wear that cute trench coat and you're standin' and posin'  
You got soul, you got too much soul

I just say who got the blues say who got the blues  
Say who got the blues now castin' your spell on me  
Well I say, "Who got the blues say who got the blues..."
