

Driven

Bret Michaels

I like the way you move
Oh, it's just so sexy baby
I like the way you grind my gears
Just kinda wrecks me baby
Tell you the truth I like the way you move

I like the, I love the, I like the way you feel
When you're riding beside me, baby
I like the way you grab my wheel
And just kinda guide me baby
I tell you the truth I really like your moves

When she turns my radio on
I know it won't be long
Then she straddles the drivers seat
And she and she and she, she'll roll right outta me

She says roll me up and down this highway, baby
She was born to ride high like a rolling stone, oh yeah
She wants it a little faster, so baby if you ask her
She said take me on that highway outta here

Play guitar now

Oh, I like the way you move
Oh, I like the thing you do

She'd say roll me up and down this highway, baby
She was born to ride high like a rolling stone, oh yeah
'Cause when she's in my car, she's my superstar
My girl looks so fine, I tell her true
I love the way she, aha, aha, aha
