

Menace To Society

Bret Michaels

Monday, boss say
I don't get a holiday
Just smile, get paid
I'm about to crack

At work, my boss is such a jerk
He tries to keep me down
I feel like I'm about to lose it

Some days I just wanna be
A menace to society
Conformity they try to sell
Makes me feel like raisin' hell

TV sells me
The perfect life I'm supposed to lead
Wake up, get dressed
Don't step out of line

Yes, they shove it down our throats
It makes me wanna choke
I think that I'm about to lose it

Some days I just wanna be
A menace to society
Conformity they try to sell
Makes me feel like raisin' hell

Don't get out of line
Just punch in on time
Can't you see I'm going crazy?
(Going crazy)

No, you'll never keep me down
You can't push me around
You can try but you will
Never break me

Some days I just wanna be
A menace to society
Conformity they try to sell
Makes me feel like raisin' hell

Some days I just wanna be
A menace to society
Conformity they try to sell
Makes me feel like raisin' hell

One more time
Raisin' hell
Raisin' hell
Raisin' hell
