

Strange Sensation

Bret Michaels

Made me so angry just the other day
But you look so sexy when you walk away

Now that you're gone, I want ya back
Now that you're split, I'm gonna crack
I hate you so much, I love you
I can't stop thinking of you

Why do I want you when you're gone
Why do I hate it when I'm wrong
Why do I love you in my bed
Why do I hate you in my head

We really went at it the other night
But you make me horny every time we fight

Now that you're gone, I want ya back
Now that you're split, I'm gonna crack
I hate you so much, I love you
I can't stop thinking of you

Why do I want you when you're gone
Why do I hate it when I'm wrong
Why do I love you in my bed
Why do I hate you in my head

Can't you see my frustration?
It's such a strange sensation
I don't want you to myself
But I don't want you with no one else
No one else

Why do I want you when you're gone
Why do I hate it when I'm wrong
Why do I love you in my bed
Why do I hate you in my head

Why do I want you when you're gone
Why do I hate it when I'm wrong
Why do I love you in my bed
Why do I hate you in my head
