One Lazy Morning

Brett Anderson

Wipe the winter from your pillow Take the cups from the machine Vapor trails in the clear blue sky Spell your name in Japanese

One lazy morning when life is a breeze
One lazy morning am I gonna find Jesus in me?

Does he watch me when I'm sleeping Like a psycho on the leads? Does he hear what I am thinking? Does he care what I believe?

One lazy morning when life is a breeze
One lazy morning am I gonna find Jesus in me?
