

Show Me Your Way

Brian Doerksen

I don't wanna take the selfish road
I don't wanna walk the path of pride
I only want to follow where You lead
I only want to please You with my life

Show me Your way, oh, Lord
Show me Your way, oh, Lord
Banish my fear in perfect love
Show me Your way, oh, Lord

Show me Your way, oh, Lord
Show me Your way, oh, Lord
Banish my fear in perfect love
Show me Your way, oh, Lord
