

Without You

Brian Doerksen

Without you I would have no hope
I'd be all alone without you
Without you I could not be strong
I could not go on without you
Without you

Who would I be if you didn't love me
Who would I be without you
Who would I be if you didn't save me
Who would I be without you

Without you life would make no sense
Dreams would always end without you
Without you spring would not appear
Storms would never clear without you
Without you
