

## Without You

Brian Doerksen

Without you I would have no hope  
I'd be all alone without you  
Without you I could not be strong  
I could not go on without you  
Without you

Who would I be if you didn't love me  
Who would I be without you  
Who would I be if you didn't save me  
Who would I be without you

Without you life would make no sense  
Dreams would always end without you  
Without you spring would not appear  
Storms would never clear without you  
Without you
