

Just Another Day

Brian Eno

Oh, it's just another day
It's just another day on earth

Oh, it's just another day
Just another day
It's just another day on earth

Oh, it's just another day on earth
It's just another day on earth

One day, we will put it all behind
We'll say that was just another time
We'll say that was just another day on earth

We'll say that was just another time
One day, we will put it all behind
We'll say that was just another day on earth

Just another day
It's just another day
Oh, it's just another day on earth
It's just another day on earth
