

# My Squelchy Life

Brian Eno

My squelchy life  
My squelchy life  
My squelchy life  
Waits around corners  
Nasty wife by sticky gap  
My squelchy life  
Follows in soft shoes  
It's catching up  
My squelchy life  
Stands there grinning  
Big white teeth, hairy white fingers (anything, anything)  
I'll give it anything to go away, anything  
Anything, anything, anything, anything, anything, anything.  
My squelchy life  
My squelchy life  
My squelchy life  
My squelchy life
