

Don't Dilly Dally Sally

Brian Hyland

Dilly Dally
Silly Silly Sally

Oh Oh Oh

Don't Dilly Dally Sally
You know I'm stuck on you
Well, Susie's not so choosy
And Ella needs a fella
And she's got her eyes on me

Don't Dilly Dally Sally
You know I'm stuck on you

Well, Susie's not so choosy
And Ella needs a fella
And she's got her eyes on me

You're not the only girl
Oh Gosh No
Under all the skies above
Boy come to think of it girl
I really must admit
You're the only one that I love
