

# Holiday For Clowns

Brian Hyland

There should be a holiday for clowns  
There should be a big parade downtown  
So girls like you could see  
What fools you've made of guys like me  
A day that clowns don't have to hide  
The feelings that they have inside, oh

There should be a holiday for clowns  
A day for guys like me to paint the town  
Festive clown affair  
To make believe that we don't care  
A special day, a holiday for clowns

Time after time I have tried to say goodbye to you  
But somehow, when I try to leave you  
I just can't go; I love you so

If there could be a holiday for clowns  
I would lead a big parade downtown  
& see you standin' there  
& tell myself that I don't care  
But we both know that that's not true  
Tomorrow I'll be back lovin' you, oh

There should be a holiday for clowns  
There should be a big parade downtown  
If I could have my way  
Just once a year, there'd be a day  
A special day, a holiday for clowns  
A special day, a holiday for clowns
