

# I'll Never Stop Wanting You

Brian Hyland

You'll never lose me  
I'll always be true  
And I'll never stop wanting you

I'll stand beside you  
When your dreams fall through  
And I'll never stop wanting you

Your kiss will always thrill me  
In the same old way  
Your touch will mean as much  
Tomorrow as it does today

So don't worry, baby  
Whatever you do  
Cause I'll never stop wanting you

Your kiss will always thrill me  
In the same old way  
Your touch will mean as much  
Tomorrow as it does today

So don't worry, baby  
Whatever you do  
Cause I'll never stop  
No, I'll never stop  
No, I'll never stop wanting you
