

Lonely Teardrops

Brian Hyland

Lonely teardrops
My pillow's never dry
Of lonely teardrops

Come home, come home
Just say you will
Say you will (say you will)
Say you will (say you will)
Say you will (say you will)

My heart is crying
Crying lonely teardrops
They just keep on falling
Lonely teardrops
Come home, come home

Just give me another chance
For our romance
Come on and tell me
Someday, you'll return

'Cause every day
That you've been gone away
You know my heart (heart)
Does nothing but cry, baby

Lonely teardrops
They just keep on falling
Lonely teardrops
(Lonely teardrops)

Come home, come home
Just say you will
Say you will (say you will)
Say you will (say you will)

Tell me that you will (say you will)
Say that you will (say you will)

Lonely teardrops
Lonely teardrops

(Keep on falling)
Lonely teardrops
(Keep on falling)

Lonely teardrops
They keep on falling
(Falling down)
Lonely teardrops
They keep on falling
