

# Run, Run, Look And See

Brian Hyland

Run, run, look and see  
Run, run, look and see

I thought I saw you yesterday  
I could have sworn you'd passed my way  
But it was too good to be true  
And there was nothing I could do

My heart says  
Run, run, look and see  
Are my eyes just fooling me  
While I'm running, I keep praying  
All the time my heart keeps saying  
Run, run, look and see  
Run, run, look and see

Each time I hear our favorite song  
I can't believe you're really gone  
I hear your voice, I see your face  
But then you're gone without a trace

Each time I see a crowd, I stare  
Just hoping someday you'll be there  
My heart says  
Run, run, look and see  
Run, run, look and see

I hear your voice, I see your face  
But then you're gone without a trace

Run, run, look and see  
Run, run, look and see
