Save Your Heart For Me

Brian Hyland

Walk along the lake with someone new Have yourself a summer fling or two But remember I'm in love with you and Save your heart for me

When the summer moon is on the rise And you're dancin' under starlit skies Please don't let the stars get in your eyes, just Save your heart for me

When you're all alone, far away from home Someone's gonna flirt with you I won't think it's wrong if you play along Just don't fall for someone new

When the autumn winds begin to blow And the summertime is long ago You'll be in my arms again I know, so Save your heart for me Darlin', save your heart for me

Please remember I'm in love with you and Save your heart for me Darlin', save your heart for me
